

CHOICE ONE PROTECTION, LLC

CAPABILITIES STATEMENT

Choice One Protection is a privately held and veteran owned firm with over 50 years of combined experience in the private and government security sector. We specialize in providing customized security guard solutions for clients of all sizes. Our ownership team is directly involved in the daily operations, ensuring hands-on management, personalized service, and a deep understanding of client needs. We pride ourselves in delivering tailored security services while maintaining uncompromising standards of safety and professionalism.

Why Choose Us

Physical Security Services

Armed and unarmed security personnel, mobile patrols, access control and surveillance monitoring. We develop flexible security strategies based on detailed assessments of each client's unique needs. From private businesses to government institutions, we craft services that fit operational needs and financial constraints.

Hands-on Ownership

We are 100% privately held by a two-person ownership team that are directly involved in the day-to-day operations. The company and its hands-on ownership prides itself in offering customized security programs that will fit your needs and budget without ever compromising results.

Advanced Technology

We partner with Security Online Solutions (S.O.S.). Secure data at your fingertips, anytime, anywhere. Keep connected your administrators, HR, supervisors and customers. Monitor and control all employee activities, shift activity, incidents reports, geo locations, historical reports and more.

Recruitment and Training

We are committed to placing personnel that are the best fit for each position. All of our candidates are personally interviewed by an executive member of our management team before any offers are extended. Managers train and mentor all personnel to ensure that they represent our clients with courtesy, pride, and professionalism while satisfying all of the security needs.
